

CTT Toolkit

What can CTT Do to help you?

There are a variety of tools that CTT has created to make transitioning easy for you! Your CTT Toolkit includes:

CTT Checklist

A comprehensive timeline on the logistics and steps needed to transitioning. This document can be found on the CTT section of the password protected National Members Only page

CTT Directory

The directory is a comprehensive list of chapters listed by region with information on the contact for each chapter, when the meeting is, and if first year dues are waived. This document can be found on the CTT section of the Collegiate link on the National website

CTT Handbook

The CTT Handbook is a full guide on the purpose and origin of CTT, transitioning resources, how to transition, and how to foster relationships with alumnae chapters through suggested events. This document can be found on the CTT section of the Collegiate link on the National website

Collegiate Registry

Collegiate members can input their anticipated graduation date and post-graduation location in the Sisters Only Member Portal. By giving this information, Sorors will be given the contact information for an alumnae chapter(s) in the specified area upon graduation
